

## REMARKS

By the present Preliminary Amendment, minor typographical errors have been corrected in the specification, the amount of white pigment has been changed to mass % which is consistent with the previous components, the Abstract has been replaced by one in a form more in accordance with the provisions of 37 C.F.R. §1.72(b) and MPEP §608.01(b), and all multiple dependency has been eliminated from the original claims. It is to be understood that the revisions to the claims are solely for formalistic purposes and not with regard to patentability and that applicant reserves the right to pursue claims directed to other aspects of the invention encompassed by the original multiple dependent claims or described in the specification.

Entry of the instant Preliminary Amendment and favorable consideration on the merits are respectfully requested.

Should the Examiner have any questions concerning the subject application, the Examiner is invited to contact the undersigned attorney at the number provided below.

Respectfully submitted,
